**(B) Rate (per month) - Continued**

- (3) For an existing Service Classification No. 2 Customer, the above-stated base rates, subject to revision whenever there is a change in the base rates of Service Classification No. 2, will apply only to that portion of the Customer's monthly gas usage in excess of the Customer's monthly base gas usage as explained in Subdivision (A) (2) (b) of this Rider for the initial five years that a Customer takes service under this Rider. The Customer's monthly base gas usage will be billed at the applicable base rates set forth in Service Classification No. 2. The portion of a Customer's monthly gas usage in excess of the Customer's monthly base gas usage shall be billed at the appropriate succeeding steps of the applicable above-stated rate.
- (4) The above-stated base rates will be recognized in the calculation of the monthly minimum charge applicable to large volume dual-fuel Customers contained in Service Classification No. 2.
- (5) The Customer shall be subject to all other charges, terms and conditions as set forth in Service Classification No. 2.
- (6) After a Customer has taken service under this Rider for a five-year period, the rate benefit provided to the Customer shall be progressively reduced over the subsequent five-year period until completely phased out, provided that the reduced rates prescribed hereunder continue to be cost justified. During each year of the five-year phase out period, Customers receiving service under this Rider will receive lesser rate reductions than provided by application of the rates set forth in
