Availability and Applicability of Service :

Service is available under this Service Classification for the transportation by the Company of customer-owned natural gas to:

- (i) a single Customer with a single facility or meter, that can demonstrate annual natural gas consumption of at least 3,500 DTHM at the single meter;
- (ii) a group of Customers that can demonstrate annual natural gas consumption of at least 5,000 DTHM;
- (iii) a single entity or firm with facilities at more than one location or having more than one meter that can demonstrate annual natural gas consumption of at least 3,500 DTHM at a single meter; and
- (iv) a single entity or firm with facilities at more than one location or having more than one meter that can demonstrate annual natural gas consumption of at least 5,000 DTHM.

Service to a single Customer will commence under this Service Classification only after the Company has received in hard copy or by telephone facsimile:

- (i) a Service Agreement for service under this Service Classification executed by the Customer and Seller; and
- (ii) a Seller Agreement for service under this Service Classification executed by Seller for the applicable service period.

Service to a group of Customers will commence under this Service Classification only after the Company has received in hard copy or by telephone facsimile:

- (i) Service Agreements for service under this Service Classification executed by each of the Customers within the aggregated group and the Seller; and
- (ii) a Seller Agreement for service under this Service Classification executed by Seller for the aggregated group for the applicable service period.

For a Seller Agreement to be effective under this Service Classification, the Seller must be qualified in conformance with the provisions of Service Classification No. 8.

A Customer no longer qualifies for service under this Service Classification if the Service Agreement provided to the Company is breached by a party thereto or is otherwise no longer effective during the service term.
