TERM:

The consumer will be responsible for any use of service until 2 days after notice to discontinue has been received by the Commission.

SPECIAL PROVISIONS:

When not more than two rooms of an individual dwelling or apartment are used by the occupant for professional or business purposes, service may be taken under this classification for the entire dwelling or apartment, including such business or professional use. If the amount of business or professional use exceeds the above, this service classification will apply only to that portion of the premises used for residential purposes. If the wiring of the premises is not so arranged that the portions used for residential and business and professional purposes may be metered separately, service for the entire establishment may be taken through a single meter at the rates for Service Classification 2.
