SERVICE CLASSIFICATION NO. 2 (CONT'D)

TERMS AND CONDITIONS:

This rate is available for total requirement customers with monthly kwh ranges of 3,500 or less per month. Customers exceeding 3,500 kwh in 3 consecutive winter months (November through April readings) shall have a demand meter installed and the account will be moved into Service Classification No. 3 for a period of 12 months.

If consumption is less than 3,500 kwh and less than 20 kwh of demand per month for 12 consecutive months, the customer will be returned to Service Classification No. 2.

The customer will be responsible for any use of service until 2 days after notice to discontinue has been received by the Commission.

SPECIAL PROVISIONS:

- (a) Current delivered under this classification may be used on the premises where delivered, for any purposes, at the option of the consumer, except for resale.
