II. 3.c. CONTINUED

applicant, the Company must install service lines, service connections and appurtenant facilities in addition to those required to be provided without charge under Section II.3.c, the Company may impose a charge for material and installation costs.

d. Furnishing of Rights of Ways or Agreement to Pay Costs

- (1) Each applicant or customer shall execute and deliver to the Company, free from cost, satisfactory permanent easements or rights-of-way to permit the Company to provide service.
- (2) The Company shall not be obligated to provide service to any applicant or customer which has neither:
 - (a) delivered to the Company satisfactory permanent easements or rights-of-way; nor
 - (b) requested that the Company obtain such easements or rights-of-way, agreed to pay any costs which the Company incurs in obtaining them and furnished reasonable security as to the performance of his agreement.

e. Installation Before Service Required

Whenever the Company installs service lines, service connections or appurtenant facilities at the request of an applicant who does not immediately desire service, the applicant shall bear the entire reasonable expense of providing, placing and constructing such facilities but shall be entitled to a refund whenever gas service is begun for such part of the expense as the Company is hereinbefore required to assume. The refund shall be the cost of the service lines and appurtenances, less depreciation at the rate of 3 percent per year.

f. High Pressure Service

A main shall be considered as high pressure when a governor (or regulator) is required to be installed between the service connection to the main and the customer's meter.
