SERVICE CLASSIFICATION NO. 4 (CONT'D)

Industrial Classification Rate

TERM:

One year, commencing at the date of installation and thereafter from year to year until canceled in writing by the customer upon thirty (30) days notice.

DETERMINATION OF DEMAND:

The Active Demand shall be the maximum fifteen (15) minute integrated kilowatt (KW) demand. For billing purposes, the Active Demand shall be the greatest of the following:

1. The Demand occurring during the month for which charge is made.
2. One-half (1/2) of the highest Demand occurring during any of the preceding eleven (11) months.
3. Seventy-five (75) Kilowatts (KW).

TERMS:

A customer in this service classification will remain in this service classification for one (1) year after annual evaluation (July), determination for remaining in this classification shall be a demand of 75 KW for a period of 9 months out of the previous 12 months. The customer will then be transferred to Service Classification No. 3.

PURCHASED POWER ADJUSTMENT:

The charges set forth in this service classification shall be subject to a purchased power adjustment as explained in the New York Municipal Power Agency generic tariff.

The charges billed under this section shall be subject to the late payment rate.
