SERVICE CLASSIFICATION NO. 2
 (Continued)

RATE: (continued)

H. Other Charges and Credits: (continued)

Monthly Credit Per Lamp

2. Credit for lamps unlighted during specified months of the year, per lamp per month. The monthly energy cost calculated in accordance with A. Energy Charge and one-twelfth (1/12) of the annual lamp charge listed in C. Lamp Charge for the type and size of lamp unlighted.

	<u>Billing Code</u>	<u>Annual Charge Per Unit</u>
3. Convenience Outlets		
(a) On Metal or Composite Pole		
Charge for outlet on new pole	580	\$25.99
Charge for installation on existing pole	582	43.24
(b) On Wood Pole		
All applications	584	50.48

Note: The energy used through the convenience outlets is billed separately under S.C. No. 2 of the General Electric Tariff.

I. Non-Standard Equipment:

Lamps, luminaires and other equipment not specifically provided for above, or of a type not considered standard by Company at the date of installation, may be provided and/or maintained by Company under such terms and conditions and at such annual charges as may be mutually agreed upon between customer and Company in advance of installation. Spare equipment will not be normally stocked by Company. If the customer desires spare units to be held in stock, a normal charge will be made to the customer as if the equipment were in service, less energy charge if applicable.

J. Increase in Rates and Charges:

The rates and charges under this Service Classification including minimum charge will be increased by a tax factor pursuant to Rule 32 of the General Electric Tariff.
