GENERAL INFORMATION (CONT'D)

(4) fails to provide reasonable access to the premises for necessary or proper purposes in connection with rendering of service, including meter installation, reading or testing, or the maintenance, or removal, or securing, of the Utility's property, so long as the requirements of Rule (VIII)(B)(6) have been met, and the customer has not advised the Utility that the customer does not and who does have control over access; or

(5) fails to comply with a provision of the Utility's tariff which permits the Utility to refuse to supply service or to terminate service.

b. The Utility may terminate service to a customer without providing advance notice of the termination and without fulfilling the other requirements of this rule when it finds service being supplied through tampered equipment provided that the Utility:

(1) has evidence that the customer opened the account and used the service prior to the creation of the condition or that the customer knew, or reasonably should have known, that service was not being fully billed;

(2) has rendered a written unmetered service bill in accordance with 16 NYCRR §13.11(e);

(3) has made reasonable efforts to provide to a person in charge of the premises;

(a) the written unmetered service bill; and
