SERVICE CLASSIFICATION No. 5 (Continued)

PURCHASED POWER ADJUSTMENT

The charges set forth in this service classification shall be subject to a purchased power adjustment as explained in the NYMPA generic tariff.

TERM OF SERVICE

One year from the commencement of service and thereafter until terminated by thirty (30) days written notice from the customer to the Company and by the Company in the manner provided by law and the rules and regulations of the Company. Subject to immediate termination if, for any reason, the Company is unable to maintain lines necessary to supply the facility.

SPECIAL PROVISIONS

- a. The Company will furnish and install fixtures providing:
 - i. that the customer shall have first assured the Company that the service will be continuous and reasonably permanent basis;
 - ii. that the customer has signed a contract agreeing to the provisions of this service classification;
 - iii. that the fixture will only be installed on property owned or leased by the customer.
- b. Only fixtures approved by the Company will be installed and maintained at Company approved locations that are accessible to Company aerial maintenance vehicles.
