 SERVICE CLASSIFICATION NO. 3 (CONT'D)

A monthly late payment charge will be assessed at a rate of one and one-half percent (1 ½%) per month on a customer's unpaid balance, including service billing arrears and unpaid late payment charges. Remittance mailed on the "last day to pay" date will be accepted without the late payment charge, the postmark to be conclusive evidence of the date of mailing. The failure on the part of the customer to receive the bill shall not entitle him\her to pay without the late payment charge after the "last day to pay" date.

SPECIAL PROVISIONS:

- A. . Metering Discounts: When Customer furnished, installs and maintains his own transformers and accessory equipment, and purchases energy at primary voltage, a discount amounting to 5% of the demand charge will be allowed.
- B. Customer taking service for the operation of welders, X-ray machines or any other equipment having a highly fluctuating or large instantaneous demand which causes undue voltage disturbance upon the circuit from which service is taken, thereby interfering with the service taken by other Customers shall install or pay for the necessary corrective equipment to avoid such interference with service to others, or failing to do so, shall pay in addition to the charge for service \$0.50 per month per kva of the nameplate rating of such equipment.
- C. The customer will normally be required to maintain a power factor at the point of delivery of between 90 percent lagging and 90 percent leading.

PURCHASED POWER ADJUSTMENT:

The charges set forth in this service classification shall be subject to a purchased power adjustment as explained in the NYMPA Generic Tariff.

The charges billed under this section shall be subject to the late payment charge.
