SERVICE CLASSIFICATION NO. 2 (CONT'D)

COMMERCIAL

SPECIAL PROVISIONS

- A. Any customer having two or more apartments which are located on the same premises and is currently supplied through one meter, shall be billed for such service under this classification.
- B. Standby or breakdown service will be furnished under this classification to a customer part or all of whose source of energy, whether electrically or mechanically produced, shall be introduced or permitted, directly or indirectly, in connection with the operation of customer's equipment. For such service the monthly demand shall be taken at not less than seventy-five percent of the highest measured demand determined in any of the preceding 12 months
- C. Where the installation includes devices which have a highly fluctuating or large instantaneous demand, such as X-ray apparatus, welders, etc., the demand of such devices shall be added to the monthly maximum demand determined either by meter or by estimate as above provided. The demand of such devices shall be taken either as the rated capacity to supply adequate service to such apparatus, or as determined by test.

PURCHASED POWER ADJUSTMENT:

The charges set forth in this service classification shall be subject to a purchased power adjustment as explained in the NYMPA generic tariff. The charges billed under this section shall be subject to the Late Payment Charge.
