The demand shall be the greatest of the following:

- A. The maximum fifteen minute integrated kilowatt demand determined by meter, occurring during the month for which charge is made. The demand as determined shall be taken to the nearest one-half kilowatt.
- B. Fifty percent of the highest demand during the preceding twelve months.
- C. Twenty kilowatts

TERMS OF PAYMENT

All bills are due when personally served or three days after the mailing of the bill and may be paid without imposition of a charge for late payment if paid in full on or before the "last day to pay" date specified on the bill which shall be at least 20 days after the date on which the bill is rendered.

A monthly late payment charge will be assessed at a rate of one and one-half percent (1½%) per month on a customer's unpaid balance, including service billing arrears and unpaid late payment charges. Remittance mailed on the "last day to pay" date will be accepted without the late payment charge, the postmark to be conclusive evidence of the date of mailing. The failure on the part of the customer to receive the bill shall not entitle him/her to pay without the late payment charge after the "last day to pay" date.

TERM:

Single Phase Service: Three months and thereafter until terminated by 48 hours written notice.

Three Phase Service: One year and thereafter until terminated by 48 hours written notice.
