SERVICE CLASSIFICATION NO. 2 (CONT'D)

TERMS OF PAYMENT:

All bills are due when rendered. Full payment must be received on or before the date shown on the bill to avoid a late payment charge of 1.5% as provided in Rule VIII of NYMPA generic tariff.

MINIMUM CHARGE:

The customer charge.

TERM:

One (1) month and thereafter until terminated with three (3) days advance notice to the Salamanca Board of Public Utilities' Electric Department. In case service is resumed by customer at the same location within the same billing period, service will be billed for the entire billing period without giving effect to the temporary suspension.

SPECIAL PROVISIONS:

Customer taking service for a welder, X-ray machines, or other equipment or appliances having highly fluctuating demand which causes undue voltage disturbances upon the circuit from which service is taken, shall install or pay for the necessary circuit protection equipment to be installed.

Issued by: James Brundage, General Manager of the Board of Public Utilities
