**GENERAL INFORMATION**

**GUARANTEED REVENUE CONTRACT  
Public Fire Protection Service Installations**

Agreement, made this \_\_\_\_\_ day of \_\_\_\_\_ 19\_\_\_\_, between \_\_\_\_\_  
\_\_\_\_\_ a municipal corporation of the State of New York,  
having its principal office at \_\_\_\_\_ N.Y.,  
hereinafter referred to as the "Municipality", party of the first part, and \_\_\_\_\_  
\_\_\_\_\_, a New York waterworks corporation, having its principal office  
at \_\_\_\_\_, N.Y., hereinafter referred to as the  
"Company", party of the second part.

WHEREAS, the party of the first part is interested in securing public fire protection service along a certain public street or streets in that certain area within the territory of the party of the first part, situated In the Town of \_\_\_\_\_, County of \_\_\_\_\_, State of New York, said area and said public street or streets being described as follows:

and,

WHEREAS, the said Municipality desires the installation by the Company in said area of the following described fire hydrant or hydrants, hydrant connections and mains to serve said fire hydrant or hydrants;

and,

WHEREAS, there is no company-owned main, six (6) inches or larger in diameter, within a distance of thirty (30) feet (measured along the street) from the requested fire hydrant or hydrants to be located on the respective street or streets above described, and the nearest company-owned main of the Company, six (6) inches or larger in diameter, is located at a distance of approximately \_\_\_\_\_ feet (measured along the street) from the nearest requested fire hydrant to be installed hereunder; and,

WHEREAS, there is now no other customer (for any type of service whatever) to be attached to the main extensions to be made hereunder; and,

WHEREAS, the Company is willing to make such installation upon the terms and conditions hereinafter set forth, pursuant to the provisions relating thereto made and provided in its filed tariffs;

Issued by: Vincent Bohn, Vice President-Utilities, New York, NY
