SERVICE CLASSIFICATION NO. 3 (cont.)

TERMS OF PAYMENT:

Bills will be rendered at both gross and net rates. If paid within ten days, the net rates will apply. Thereafter, the gross amount will be due and payable.

TERM:

If an extension of lines or the installation of a new service lateral or of new transformers or other special facilities is required, service will be for an initial term of one year. In other cases, one month. Service may be terminated as provided in the NYMPA generic tariff.

SPECIAL PROVISIONS:

(a) A customer may obtain single phase, 120 volt, service for lighting either

(1) By providing at his own expense, on his side of the meter, the necessary equipment to obtain such service from the three phase circuit or

(2) By making a separate application for such service and paying for it separately.

(b) When the customer owns all equipment required to take service at primary voltage, the billing demand as determined above shall be reduced 5%.

Purchased Power Adjustment: The charges set forth in this service classification shall be subject to a purchased power adjustment as explained in the NYMPA generic tariff.
