GENERAL INFORMATION

SECTION VIII. EXTENSION OF MAINS CONT'D

9. Frost Provision

Extensions of mains will not be made when the ground in which such mains and connections are required to be laid is frozen or will otherwise present serious obstacles to laying the same.

10. Easements on Private Streets

Applicants for service shall execute and deliver without cost to the Company, permanent easements or rights-of way over the property owned by the applicants when necessary for the installation and maintenance of the extension or subsequent additions thereto.

The Company shall not be obligated to commence any construction until applicants either have obtained for it satisfactory easements or rights-of-way or have agreed to pay such costs as may be incurred if at their request the Company obtains such easements or rights-of-way, whenever these are required, from parties who are not applicants for service.
