GENERAL INFORMATION

- d) A building owned or leased by one customer having a number of offices, or lofts which are rented to tenants, and using in common one hall and one or more means of entrance.
- e) A building two or more stories high under one roof, owned or leased by one customer having an individual entrance for the ground floor occupants and one for the occupants of the upper floors.
- f) Garden apartments owned by one individual or firm and located in one common enclosure.

Sub-metering will not be permitted.

4. Application of contractors, builders and others for temporary service will be accepted and temporary water service will be supplied providing it does not interfere with use of water for general purposes. The quantity of water taken for such purposes shall be determined either by meter or by estimate and paid for in accordance with the tariff applicable to metered general purposes. Customers requiring temporary service will reimburse the Company for its expenses in connection with providing the necessary temporary service connections and a deposit specified by the Company may be required.

5. No agreement will be entered into by the Company with any applicant for water service until all charges due from the applicant for water or services at any premises now or heretofore owned or occupied by him which are in arrears shall have been paid.
