SERVICE CLASSIFICATION NO. 7

INTERRUPTIBLE INCENTIVE SERVICE

APPLICABLE TO THE USE OF SERVICE FOR (LOCKPORT DISTRICT):

Interruptible Incentive Service applicable to customers in the Lockport District with an active account for gas under Service Classification No. 3 of this Schedule when the Company has facilities available and adequate for the load and when the Company, at its sole discretion, deems that it will be exposed to minimum bill rates and charges from its supplier.

CHARACTER OF SERVICE:

Interruptible - Natural Gas or a mixture of Natural Gas and liquefied petroleum gas with a Btu content of not less than 975 Btu per cubic foot. Pressure at the option of the Company.

PRICE:

The unit price per therm will be determined periodically at the sole discretion of the Company.

NOTIFICATION OF PRICE:

The Interruptible Incentive Rate Statement will be filed with the PSC and shall remain in effect until changed.

MINIMUM CHARGE:

The monthly Minimum Charge will be the product of the price per therm and the agreed upon number of therms to be purchased as defined in the currently effective Amendment to the Application for Service. In the event service is interrupted by the Company in accordance with the terms of this service classification, then the Minimum Charge shall be reduced in the ratio of the number of days that service is available to the customer for a full day to the total number of days in the service period defined in the currently effective Amendment to the Application for Service.
