Customers will be able to select from either the Fixed Price Option or Index Price Option as described below:

Index Price Option - Under this option, prices will be adjusted monthly for average changes in published commodity price indices when such changes from the base index of \$0.148 per Therm of gas occur. The Index Price adjustment shall be filed one (1) business day following the publish date of the indices, and shall be effective two (2) business days following the filing date. Any customer who does not select a Fixed Price Option will be automatically included in the Index Price Option.
