**SERVICE CLASSIFICATION NO. 2 (CONT'D)**

**GENERAL SERVICE (CONT'D)**

**SPECIAL PROVISIONS: (CONT'D)**

D. Economic Incentives (All Districts): (Cont'd)

3. Customers in the Combined District who are certified by the Economic Development Zone Administrator, under Special Provision C above, will have their service bills (for qualified use over 100 Therms per month) reduced, for the duration of the Customer's valid certification, by \$.07 per Therm for use up through 50,000 Therms, per month, and \$.05 per Therm for use for over 50,000 Therms, per month, used thereunder.
4. Customers in the Champlain District who are certified by the Economic Development Zone Administrator, under Special Provision C above, will have their service bills (for qualified use over 100 Therms per month) reduced, for the duration of the Customer's valid certification, by \$.07 per Therm for use up through 50,000 Therms, per month.

E. Winter Billing (Lockport District):

In any billing month, October to May, inclusive, all use in the last block of the price as set forth above and in excess of one hundred fifty percent (150%) of the average monthly use in the previous billing months June to September, inclusive, will be billed at a unit price of \$.4965 per Therm in lieu of the above price. For new customers and for customers who install additional gas burning equipment, the use of service June to September, inclusive, will be estimated by the Company.

F. Incremental Pricing (Elmira and Combined Districts):

Customers subject to incremental pricing should refer to Section 15 of PSC No. 30 Gas, or superseding issues thereof.
