## SPECIAL PROVISIONS: (continued)

- D. Customers supplying gas service to end-use residential customers in multi-family structures that convert to gas space heating without complying with the Company's minimum insulation requirements, Rule 4.10.3, or found in non-compliance with the appropriate minimum insulation requirements for new dwellings Rule 4.10.2, will be required to pay a surcharge of 25 percent of their total bill for electric and/or gas services. Refer to Rules 4.10.2.5 or 4.10.3.4, Penalties for Non-compliance, for the application of the surcharge.
- E. Budget bills will be computed in accordance with Rule 15.7.6.
- F. Firm transportation service will be provided only when and to the extent that the Company in its sole judgment has sufficient capacity available.
- G. Full cooperation is required from Customer and Customer's gas supplier so that the Company may accurately determine the quantities of Customer-owned gas delivered into the Company's distribution system by the Customer and those quantities of Customer-owned gas actually transported to the Customer by the Company.
- H. When customer-owned gas is delivered directly into the Company's distribution system, the Customer shall pay for any investment and expenses incurred by the Company for any metering facilities installed at the point of delivery, odorization of gas and periodic testing of the gas quality.
- I. Stand-Alone Customer's Under/Over-deliveries will be billed in accordance with Rule 29.
- J. As between the Company and the Customer, the Company shall be deemed to be in control and possession of the gas to be transported hereunder upon receipt of such gas at the receipt point and until it has been delivered to the Customer. The Customer shall be deemed to be in possession and control of the gas prior to such receipt by the Company and after such delivery.
