## SERVICE APPLICATION Non-Residential Customer

910-129 R07-88 (F-2)  
 SYMBOL NO. 55-15-435

### SERVICE CLASSIFICATION INFORMATION -

The questions which follow are designed to assist us in determining the most beneficial rate at which to bill you for service used. Please answer them as thoroughly and as accurately as you can. We may use the information you provide to establish the rate at which you may be billed. IF THE INFORMATION YOU PROVIDE IS INACCURATE OR INCOMPLETE, YOU MAY BE SUBJECT TO BACKBILLING AT THE CORRECT RATE OR BE PRECLUDED FROM RECEIVING A REFUND FOR OVERCHARGES.

Since eligibility requirements may vary for each classification and one classification may be more beneficial than another, we are providing a rate description schedule with this application. Please read this information carefully; you may qualify for service under more than one rate.

Should you have any questions or require additional information, you may contact our Customer Service Department or inspect our tariff which is available at all Company business offices.

### IMPORTANT - Answers to the following questions should relate only to the meter(s) associated with this specific application for service

- A. Is any part of the structure served by this meter(s) used for RESIDENTIAL purposes, such as rooms for rent, apartments, or your own residence?
