Agreement Application for the Transportation of  
Customer-Owned Gas  
Form "T"

Date \_\_\_\_\_, 19\_\_\_\_

THE UNDERSIGNED, (hereafter called "Customer") hereby applies to the NIAGARA MOHAWK POWER CORPORATION (hereafter called "Company") for \_\_\_\_\_ (firm or interruptible) gas transportation service. The Customer agrees to supply customer-owned gas to the Company at \_\_\_\_\_

\_\_\_\_\_ an annual quantity of \_\_\_\_\_ (not less than 50,000 Therms annually) and the Company agrees to deliver, after an adjustment for losses as stated in Rule 17.1 of this schedule, an amount of \_\_\_\_\_ Therms per year of customer-owned gas to the Customer's premises located at \_\_\_\_\_

\_\_\_\_\_ commencing \_\_\_\_\_ (date).

The Customer agrees that if the premises are to be served from a main extension constructed or to be constructed pursuant to Rule 10, of the General Information, contained in the Company's schedule for Gas Service, P.S.C. No. 218 Gas, the Customer will pay the charges and/or surcharges required under said rule.

The Customer's contribution/annual surcharge for the excess portion of the main extension is \$\_\_\_\_\_.

Deliveries

The customer agrees to supply to the Company the above annual amount of gas. The Company agrees to deliver on a \_\_\_\_\_ (firm or interruptible) basis this amount after an adjustment for losses as stated in Rule 17.1 of this schedule.

Term

This agreement will be continued from year to year and thereafter until changed unless terminated by advance written notice of either party to the other.

Rates

Customer agrees to observe and perform all of the rules and regulations of the Company and to pay the rates and charges provided by Service Classification No. \_\_\_\_\_, P.S.C. No. 218 for the transportation of customer-owned gas. Customer agrees to pay such rates and charges contained in the Company's gas tariff, P.S.C. No. 218 Gas, filed with the Public Service Commission of the State of New York as the same may be from time to time changed, amended and/or supplemented.
