GENERAL INFORMATION

8. BILLING AND COLLECTIONS: (CONT'D)

J. Meter Reading and Estimated Bills: (Cont'd)

(2) Estimated Bills: (Cont'd)

(c) Estimated Billing - Non-Residential: (Cont'd)

(ii) No Access Procedure: (Cont'd)

- c. The third and each successive notice shall advise the access controller of the no access charge that has been added to the access controller's bill and, if the access controller's service can be terminated without obtaining access, will be accompanied by a final notice of termination for non-access. In any case where the access controller's service cannot be physically terminated without obtaining access, the notice will advise the access controller that the Company is seeking to obtain a court order to gain access to the Customer's meter.
4. A no access charge as provided by Section 7.B.(3) of this Schedule will not exceed \$100.00.
5. No more than \$100.00 per building or premises will be added to any single bill of the access controller even though more than one (1) meter is located there.
6. The Company may, at its discretion, suspend temporarily the issuance of no access notices and/or penalties under this section if the access controller contacts the Company and provides a legitimate reason for postponing the provision of access; provided, however, that such suspension may not be utilized in the case of any account that is billed for demand charges and in no event for more than ninety (90) calendar days.
