### GENERAL INFORMATION

#### 4. TEMPORARY SERVICE:

Where service is to be used for temporary purposes only , the applicant will be required to pay the cost, as defined in Section 13 of this Schedule, of the connection and removal of equipment necessary to serve. In such cases, an advance payment sufficient to cover all such costs and gas to be used may be required. Where the installation presents unusual difficulties as to metering the gas supplied, the Company may estimate the amount of gas consumed and may bill the Customer in accordance with such estimated amount applied to applicable service classification. Temporary service or emergency service to supplement other gas service will be supplied at the prices and conditions applicable to the service required, when the Company has available unsold capacity of mains and equipment.
