SERVICE CLASSIFICATION NO. 2 (continued)

## SPECIAL PROVISIONS: (continued)

- F. Customers who supply gas service to end-use residential customers in multi-family structures that convert to gas space heating without complying with the Company's minimum insulation requirements, Rule 4.10.3 or found in non-compliance with the appropriate minimum insulation requirements for new dwellings Rule 4.10.2, will be required to pay a surcharge of 25 percent of their total bill for electric and/or gas services. Refer to Rules 4.10.2.5 or 4.10.3.4, Penalties for Non-Compliance, for the application of the surcharge.
- G. Service taken under this Service Classification may be eligible for a limited-duration bill reduction treatment as described in Rule 22, Economic Development Rider.
- H. Budget bills will be computed in accordance with Rule 15.7.6.
