**SERVICE CLASSIFICATION NO. 4 (CONT'D)**

**NATURAL GAS MOTOR VEHICLES (CONT'D)**

**PRICE: (Per Month) (CONT'D)**

**Category 4** - Customers who purchase natural gas for resale in a public refueling facility.

A. For Category 1 and 2 customers:

A Basic Administration Charge, which includes the first 3 Therms of usage, and the price per Therm for usage in excess of three (3) units will be determined monthly at the sole discretion of the Company. The Basic Administration charge will be \$4.70 plus the applicable price per therm multiplied by three (3).

The price per therm will not be less than:

1. The Company's weighted average cost of gas delivered to the Company's city gate for the current month, adjusted for system gas loss; plus
2. \$.01 per Therm transportation charge; plus
3. Cost of compression; plus
4. Applicable taxes.

In addition to the above costs, the Category 2 prices will recover the cost of Company-owned fuel filling facilities. Such prices will in no event be less than the Category 1 prices for the corresponding alternate fuel.

B. For Category 3 customers:

The Company will determine the applicable category and price for each Customer under this service classification and category. The price per therm will not be less than:

1. The Company's weighted average commodity cost of gas delivered to the Company's city gate for the current month; plus
2. \$.01 per Therm transportation charge; plus
