TRANSITIONAL PROPANE SERVICE

APPLICABLE TO USE OF SERVICE FOR:

Available for service throughout the territory served under this Tariff. The Company will convert and provide propane service to Customers receiving natural gas service in the Company's service territory where the annualized cost of facility replacement is above the current annual revenue received from the existing Customer and the length of facilities required to be replaced is greater than 650 ft., and where such Customers have not chosen to pay the Monthly Facility Replacement Surcharge described in II 4. d. of the General Information Section of this Tariff ("Transitional Propane Customers"). Transitional Propane Customers shall receive service under this rate schedule for a period not to exceed 5 (five) years. At the conclusion of the 5 (five) year service term under this service classification Transitional Propane Customers shall no longer be eligible for and shall not receive gas or propane service from the Company.

CHARACTER OF SERVICE:

Propane service sufficient to meet the monthly requirements of the Customer.

RATES AND CHARGES:

1. Monthly Base Rates
 - a. Minimum Charge

Customers receiving service under this rate schedule shall pay a minimum charge equivalent to the minimum charge under the otherwise applicable SC 1 or SC 3 sales rate schedule.

- b. Usage Charges

The usage charges shall be the current usage charges under the otherwise applicable SC 1 or SC 3 sales rate schedule.
