SERVICE CLASSIFICATION NO. 11

c. Release of GSS Storage (continued)

(2) **Release of Storage Transportation** - DTI FTNNGSS Storage Capacity will be released to Marketers participating in Monthly Balancing Service on behalf of customers in a prearranged storage release transaction at Maximum demand rates in accordance with the release provisions of the tariff of DTI. The term of each such release will be for one year plus 1 day. All releases will be made subject to the following conditions: (i) the capacity is recallable by Niagara Mohawk when a customer elects to change Marketers; (ii) the capacity is recallable by Niagara Mohawk when Marketer fails to perform its obligations under this tariff; (iii) the capacity is recallable by Niagara Mohawk when a Marketer ceases to meet the credit or security requirements of this service classification and (iv) the capacity is recallable by Niagara Mohawk if the customer discontinues service under this service classification. The amount of GSS storage demand to be released on behalf of a given customer will equal to fifty-five (55%) of their Maximum Peak Day Quantity as further defined in Special Provision A.

(3) **Recall** - All releases under Paragraph B and C will be made subject to the following conditions: (i) the capacity is recallable by Niagara Mohawk when a customer elects to change Marketers; (ii) the capacity is recallable by Niagara Mohawk when Marketer fails to perform its obligations under this tariff; (iii) the capacity is recallable by Niagara Mohawk when a Marketer ceases to meet the credit or security requirements of this service classification and (iv) the capacity is recallable by Niagara Mohawk if the customer discontinues service.

d. Termination of Sales Service

Upon commencement of Monthly Balancing Service to a customer, sales service by Niagara Mohawk will terminate and Niagara Mohawk will have no further obligation to maintain the availability of gas supplies except for residential and human needs customers. The Company will maintain availability of gas supplies for residential customers and human needs customers. Costs for maintaining such supplies will be recovered through a standby charge per MPDQ.
