SERVICE CLASSIFICATION No. 13
Temperature-Controlled Transportation Service

Rate Codes: Rate 1 - 730
Rate 2 - 731
Rate 3 - 732

Availability and Applicability of Service:

All non-residential purposes, including multi-dwelling, that exceed 2,000 Dth annually of customers-owned natural gas and for which the customer requires Transportation service. Customers with natural gas fueled equipment capable of using more than 100,000 Dth annually and with demonstrable alternatives, will be eligible for individually negotiated contracts. Customers will agree to the following:

- (i) To only use gas delivered by the Company under this Service Classification in the Equipment Specified in Attachment A to the Temperature Controlled Service Agreement.

Availability of such service shall be subject to the conditions set forth in the Special Provisions and Rule II.7B.

The provision of service under this Service Classification is conditioned on Customers signing an Temperature-Controlled Transportation Service Agreement which shall provide the conditions of delivery acceptable to the Company, including the annual, daily, and hourly quantities, where applicable.

Character of Service:

Service under this Service Classification shall consist of transportation of natural gas of a BTU content of no less than 950 Btu per cubic foot (dry basis) on a monthly average, supplied at pressures within the limits prescribed by the Public Service Commission.

Definitions:

1. For purposes of this service, the following definitions apply:
 - a. A customer's Daily Quantity (DQ) under this Service Classification equals the customer's weather normalized historical load profile and/or estimate of consumption and
 - b. A Customer shall be obligated to deliver this amount each day unless otherwise notified by the Company.
