SERVICE CLASSIFICATION NO. 10 (Cont'd.)**CHARACTER OF SERVICE: (Cont'd.)****(B) Supplemental Service**

Supplemental sales of interruptible natural gas owned by the Company delivered at a pressure agreed upon by the customer and the Company but not in excess of the available pressure at the point of delivery, as determined by the Company.

SERVICE AGREEMENT:

The Company and customer shall negotiate and execute a service agreement prior to the commencement of service hereunder. The service agreement shall contain all information necessary for the Company to supply service to the customer including, but not limited to:

- (a) the term of service, options for continuing service and options for canceling service;
- (b) the exact character of service including volumes, pressures, nominating procedures and requirements, and customer's equipment to be served;
- (c) additional facilities to be constructed or installed; and
- (d) a listing of all charges to be made for services rendered.

Rates and terms offered to one customer by a negotiated service agreement will be made available to other similarly situated customers on a non-discriminatory basis. The Company will make available, on request, the criteria it will use to determine which customers are similarly situated.

Negotiated service agreements between the Company and its customers will be filed with the Commission at least 30 days before becoming effective.

RATE - FIVE PART - MONTHLY:

- (1) The charges for service under Service Classification No. 10 shall be as stated in the negotiated service agreement. The charges will include the following items as applicable: a demand and commodity charge associated with the gas supply and a delivery charge for service on the Company's distribution system. The charge will recover all variable costs directly associated with each customer requesting service, plus provide a reasonable contribution to the cost of service to firm customers.
