### GENERAL INFORMATION

#### 6. METERING AND BILLING (Cont'd.)

##### 6.11 BUDGET BILLING (Cont'd.)

###### (2) Non Residential (Cont'd.)

- (c) The Company shall review a non-residential customer's billing history during the Budget Year and, based on such reviews, may change the budget amount to minimize the potential for substantial over or under payments for the Budget Year.
- (d) The Budget Year shall be a 12-month period and shall not begin at a time of year when either the non-residential customer or the Company will be subject to any undue economic disadvantage.
- (e) A non-residential customer may request that the Company remove the customer from the budget billing plan and reinstate regular billing at any time, in which case the Company shall render a final levelized settlement bill.
- (f) The Company may only remove a non-residential customer from its budget billing plan if the customer becomes ineligible under subsection (2)(a) above. If delinquency, as defined in subsection 3.3 (2)(A)(iii), is the cause of the non-residential customer's ineligibility, the Company need only provide the customer with an opportunity to become current in payment once in any 12 month period.

##### 6.12 QUARTERLY PAYMENT PLAN

Effective November 29, 1985, as required by Public Service Law §38, the Company shall offer any residential customer 61 years of age or older a plan for payment on a quarterly basis of charges for service rendered, provided that such customer's average annual billing is not more than \$150.
