MONTHLY METERED TRANSPORTATION (MMT) SERVICE

APPLICABLE TO USE FOR:

For non-critical Customers with an annual consumption greater than 5,000 Mcf per year under a single account where the Customer totally revokes its status as a firm Customer under SC 1 and SC3 and enters into a Transportation Service Agreement with the Company.

For critical Customers (any buildings heated solely by natural gas where persons reside, including apartment houses, prisons, dormitories, nursing homes, hospitals, hotels and motels) and existing transportation Customers with annual consumption between 3,500 and 5,000 Mcf, under a single account where the Customer totally revokes its status as a firm sales Customer under SC1 and SC3, enters into a Transportation Service Agreement with the Company, and has contracted for Standby Service to meet the entire needs of its facility.

CHARACTER OF SERVICE:

Transportation of gas to Customers. Whether such transportation is firm or interruptible and the degree to which such service is firm or interruptible shall be determined in the transportation contract between the Company and the Customer. A Customer heating any building solely by gas where persons reside, including apartment houses, prisons, dormitories, nursing homes, hospitals, hotels, and other buildings where persons may dwell on a permanent basis shall only be allowed firm service under this Rate Schedule. The default level of service will be firm transportation service. Except insofar as the Customer contracts for Standby Service or Firm Transportation Sales Service with respect to identified gas burning equipment, the Company has no obligation to secure gas supplies on behalf of the Customer, and the Customer will be permitted to draw upon the Company's gas supply only to the extent that the Company permits authorized deficiency imbalances. The Customer's ability to elect Sales Service under SC 1 and SC 3 upon termination of the Transportation Service Agreement will be subject to the availability of sufficient system gas supplies.

RATES:

1. Minimum Charge

The monthly Minimum Charge ("MC") applicable to Customers in the following classifications are given below:

The monthly MC shall include the transportation charge for the first Mcf of gas transportation by the Customer.
