(2) Return due to termination of DSS Agreement

If a DSS Supplier's DSS Agreement is canceled or terminated, the DSS Supplier will return the storage capacity to the Company and transfer the storage gas to the Company at the base storage transfer rate. The DSS Supplier shall be responsible for all taxes and pipeline fees associated with moving or transferring the storage gas to the Company. The DSS Supplier also authorizes the Company to act on DSS Supplier's behalf to confirm all nominations necessary to give effect to this clause.

c. Determination of Daily Delivery Quantities and Aggregate Daily Delivery Quantities

The Company, based upon each Public Assistance Customer's historical load profile and/or estimates of consumption, shall determine a DSS Supplier's projected normalized consumption for a given period; either monthly, weekly, or daily. Based upon this projected consumption, the Company will determine each Public Assistance Customer's Daily Delivery Quantity (DDQ) and, by summing all DDQs of the Public Assistance Customers in the DSS Supplier's DSS Group, the DSS Supplier's DSS Group's Aggregate Daily Delivery Quantity (ADDQ). The DDQs and ADDQ so calculated will be used to determine the DSS Supplier's daily delivery obligations, and the specific balancing rates and charges as outlined in this rate schedule.

A DSS Supplier taking service under this Rate Schedule accepts the Company's calculation of the DDQ and/or ADDQ. The Company shall not be liable for the difference between the projected consumption and the consumption determination by the Company.
