LOW-VOLUME FIRM GAS TRANSPORTATION SERVICE (continued)

TERMS OF PAYMENT:

Bills are due and payable. Full payment must be received on or before the due date shown on the bill to avoid a late payment charge of one and one-half percent (1 1/2%).

TERM:

One year initially and renewable on a year-to-year basis thereafter until canceled on a prior thirty-day written notice by Company or Customer.

SPECIAL PROVISIONS:

A. APPLICABLE TO FIRM TRANSPORTATION SERVICE

1. Written application upon the Company's prescribed forms is required.
2. Applications for service will be accepted in instances where extension of distribution main facilities for service requested would be required subject to Rule 10 of this schedule.
3. Firm transportation service will be provided only when and to the extent that the Company in its sole judgment has sufficient capacity available.
4. Stand Alone Customers under this Service Classification that are non-dual fuel must pay the Demand Gas Cost Adjustment rate. Dual fuel Customers who can certify dual fuel capability, will be treated as a non-human needs customer and the Demand Gas Cost Adjustment rate will be optional. Customers paying the Demand Cost Adjustment Rate per therm of MPDQ reserve their right to return to "sales customer status."

The Demand Cost Adjustment rate will be \$1.158377 per therm of MPDQ. The Demand Cost Adjustment rate is not applicable if the Customer elects Balanced or Basic Aggregation Service according to Service Classification No. 11. Human Needs Customers as defined in Rule 3.2.1 of the General Information Section of this tariff participating in Balanced or Basic aggregation will be charged a standby charge of \$0.06945 per therm of MPDQ as set forth on the Gas Transportation Rate Statement.

5. Stand Alone and Pooled Customers not paying the Demand Cost Adjustment under Special Provision A.4 of Service Classification No. 7 will be charged a monthly balancing rate per therm calculated in accordance with Rule 17.5 of this tariff multiplied by their Maximum Peak Day Quantity.
6. Customers not required to pay the Demand Cost Adjustment under Special Provision A.4 and customers electing Pooled Aggregation under Service Classification No. 11 will be required to have installed and operable an Approved Remote Meter as defined in Rule 13.5.
