GENERAL INFORMATION

6. METERING AND BILLING (Cont'd.)

6.5 RENDERING OF BILLS (Cont'd.)

(2) Transportation Customer Billing Options (Cont'd.)

(B) Utility Single Billing Service (Cont'd.)

2. (Cont'd.)

- (i) The Marketer will submit customer billing rate information to the Company in a standardized EDI format identifying the customer name, Company account number, \$/ccf billing price and sales tax status for each customer. If service commences before the implementation of EDI standards adopted by Commission, the Marketer billing information will be provided to the Company in an electronic format prescribed by the Company.
- (ii) In the event customer pricing information is not received from the Marketer in accordance with section 6.5(2)(B)2., Marketer charges will be billed at the previous month's rate for the customer, if available. If no Marketer pricing information is available, no current Marketer charges will be included on the Marketer portion of the Utility Single Bill and no remittance to the Marketer will be made for that customer.
- (iii) The Utility Single Bill will display, in a manner consistent with the Commission's "plain language" guidelines, the following data elements on the Marketer's portion of the bill:
 - (a) the name of the Marketer;
 - (b) the Marketer account number for the customer
 - (c) taxes as a separate line item;
 - (d) price per unit (e.g., per ccf) and number of units for each product or service;
 - (e) the telephone number to call for billing inquiries;
 - (f) the date the bill was rendered;
 - (g) the date payment is due and where payment may be made;
