	2	\$757.68	\$378.84

2. Usage Charge: \$4.70 per 1,000 gallons used.

#### 3. Surcharges and Adjustments:

All surcharges and special charges authorized by the Public Service Commission including gross-receipts taxes and tax surcharges (see Leaf 18) will be in addition to the charges listed above.

#### 4. Minimum Charge:

The minimum charge shall be the service charge plus all other applicable charges for a period of not less than 12 consecutive months, shall be paid in advance, and shall be billed from the beginning of the period in which the customer's service application is accepted. If a prior customer is responsible to pay for any part of that period, the new customer's minimum period would begin at the prior customer's termination date.

#### Terms:

1. The service charge, the estimated consumption for the period, and all other applicable charges are billed and payable for each semi-annual calendar period in advance. Meters will be read on or about January 1 and July 1.
2. Service may be terminated by the customer on five (5) days' written notice to the Company or by the Company in the manner provided by law and these rules and regulations. Termination by the customer followed by renewed service within one year at the same location by anyone other than a new customer will not be permitted unless the restoration of service charge and minimum charge and all other applicable charges that would have been incurred if service had remained active are paid.
