GENERAL INFORMATION

6. METERING AND BILLING (Cont'd.)

6.5 RENDERING OF BILLS (Cont'd.)

(2) Transportation Customer Billing Options (Cont'd.)

(C) Marketer Single Billing Service (Cont'd.)

16. (Cont'd.)

the Company's practices and procedures. After termination of a Marketer's or the Company's service to any customer, the Marketer will continue to be obligated to remit to the Company all payments received from customer applicable to the Company Charges.

17. Billing Services Credit: customers who choose the Marketer Single Billing Service will receive a monthly credit adjustment to their Company Charges of \$0.62 per bill. This credit will be applied only once to a dual service customer account.

(D) Separate Bills From Marketer and the Company

1. Under this option, the Company and Marketer will separately bill for the service provided to the customer. The Company's sole responsibility to the Marketer under this billing option will be to electronically transmit the Marketer's customers' metering information to be used for the Marketer's billing.
2. Data Exchange: The Company shall electronically transmit to the Marketer the meter indexes and related information on a schedule consistent with the Company's normal customer meter reading and bill processing schedule.
