SERVICE CLASSIFICATION NO. 4 (CONT'D)

TERM:

One year, commencing at the date of installation, and thereafter from year to year until canceled by the customer upon 30 days written notice.

SPECIAL PROVISIONS:

- A. The Village will furnish, install, own, operate and maintain a photoelectrically controlled luminaire complete with suitable pipe bracket.
- B. The lighting unit will be installed only on private property or leased by the customer. The customer will furnish the necessary pole or other support, except as hereinafter provided, and the necessary wiring to connect the unit on the line side of the customer's meter. The Village reserves the right to require a mounting height which will provide proper light distribution from the unit. Where a Village-owned pole is appropriately located on premises owned or leased by the customer, the Village may waive the requirement that the support be furnished by the customer, and it may install the unit on the Village-owned pole.

PURCHASE POWER ADJUSTMENT:

The charges set forth in this service classification shall be subject to a purchased power adjustment as explained in the NYMPA generic tariff.

The charges billed under this section shall be subject to the late payment rate.
