6. Convenience Outlet Charge

The obsolete annual convenience (festoon) outlet charge per unit is presented as follows:

	<u>Annual Charge (\$)</u>
Convenience (festoon) Outlet – Old	5.88

7. Pricing Exception Charge

The obsolete annual pricing exception charges per unit, without volumetric charges and adjustments, are presented below in Table 22. The following annual charges represent values specific to facility combinations established prior to the effective date of this Tariff. If changes are made to one or more components of a pricing exception facility combination, pricing exception treatment for the affected location will be discontinued thereafter. For elimination of a pricing exception to become effective, the Company must notify the customer of the pricing exception elimination and the resultant pricing change will become effective in the first billing month following such notice. This pricing exception listing will be amended from time to time to reflect changes in the number of units or the type of facilities listed. The number and types of units listed herein are the number and types in service as of January 3, 2022. All facilities listed are Company-owned. Notwithstanding any other provision, including any notice provision, this pricing exception provision and any associated charges will expire on January 31, 2032, and all remaining in-service pricing exception Facilities will thereafter be billed at the applicable prevailing Facility pricing as determined by the Company in its sole discretion.
