NOTES:

LED Luminaire Reference designations A, G, and H are reserved for future use.

New street light installations will be LED-only. Replacements of failed existing Company-owned HID luminaires will be LED-only, subject to a customer's ability to opt out of such replacement. Customers who opt-out of the Company-specified replacement program must notify the Company in writing of their replacement luminaire selections. Upon receipt of a customer's written notification of replacement, the Company will coordinate the available LED luminaires that will be used to replace failed HID luminaires. Failed HID luminaires for Customers enrolled in the Company opt-out program will be replaced based on the HID-LED Conversion Matrix provided in Table 4.2 which provides a guide for customers seeking to understand the compatible aesthetics and illumination output of the available LED luminaires.
