Reconciliation of Minimum Charge**

If a dual-fuel Customer has taken less than the minimum usage for which the Customer was charged in any month or months (shortfall months), there shall be an annual reconciliation between the minimum usage for which the Customer was responsible throughout the previous 12-month period and the actual quantity of service taken by the Customer under this Service Classification during that period. The reconciliation shall take place at twelve month intervals following the date the Customer is first subject to this minimum charge. If the Customer's actual consumption during the 12-month period as a whole was equal to or greater than two-thirds of 100,000 therms the Company will refund all minimum charges paid in the shortfall months in excess of the amounts applicable to the actual quantity of service taken in those months. If the Customer's actual use during the 12-month period was less than two-thirds of 100,000 therms the Company may refund any amounts paid in excess of the Customer's minimum charge for the year. However, in no event shall the customer be charged less than the amount based on their actual consumption during the 12-month period.
