SERVICE CLASSIFICATION NO. 12 - Continued
DUAL-FUEL SALES SERVICE (DFSS) - Continued

Miscellaneous Provisions - Continued

(E) Customer Responsibility:

Interruptible and Off-Peak Firm Customers with dual-fuel equipment must maintain (i) operable dual-fuel facilities and associated communication equipment and (ii) fuel reserves for use in such dual-fuel facilities in accordance with Miscellaneous Provision D of this Service Classification, including replenishing such fuel inventory during and after an interruption, to the extent necessary, that together are adequate to enable the Customer to operate satisfactorily those facilities without gas whenever and so long as service under this Service Classification is interrupted. A Customer with AMI metering will not be required to install and maintain associated communication equipment.

Interruptible and Off-Peak Firm Customers with equipment that operates solely on gas must maintain (i) alternate energy facilities and associated communication equipment, and (ii) alternate energy reserves for such facilities in accordance with Miscellaneous Provision D of this Service Classification, including acquiring additional energy reserves during and after an interruption to the extent necessary, that together are adequate to supply the energy requirements of the premises otherwise supplied directly or indirectly by the gas-fired equipment whenever and so long as service under this Service Classification is interrupted. A Customer with AMI metering will not be required to install and maintain associated communication equipment.

Effective January 1, 2017, the Company implemented the daily communications protocol and customer affidavit requirements established in the Commission's December 16, 2016 Order in Case 15-G-0185 as it relates to this Service Classification and as further described in the Company's Sales and Transportation Operating Procedures ("GTOP").

All customers taking service under this Service Classification must submit to the Company, by October 1 of each year, a signed affidavit, in the form included in the Company's Sales and Transportation Operating Procedures. A Customer that fails to submit a signed affidavit by the close of business on October 1, or by the following business day if October 1 falls on a weekend or holiday, will be subject to the Daily Penalty Charge, as described under (D)(6) in the Rates Section of this Service Classification and (J)(13) in the Rates Section of Service Classification No 9.

The Company assumes no responsibility for the adequacy of any dual-fuel or alternate energy facilities and shall not be liable for any loss, damage, or expense, direct or indirect, which may be incurred by the Customer or others in connection with or as a result of any curtailment, interruption, or discontinuation of gas service.

Interruptible and Off-Peak Firm Customers who have elected the Shut-Down Option will not be subject to the requirements of this section except that they will be required to maintain communication equipment. A Customer with AMI metering will not be required to install and maintain associated communication equipment.
