(A) Interruptible Base Rate (Rate 1) - Continued

(2) Negotiated Rates:

The Company may, at its sole discretion, individually negotiate a separate rate with a Customer who can demonstrate, to the Company's satisfaction, that it has energy alternatives at a cost below or rate requirements that differ from the applicable posted rates.

(B) Off-Peak Firm Rate (Rate 2):

The Company shall establish a commodity rate effective on the first calendar day of each month. The commodity rate will be determined at the sole discretion of the Company. On the fourth business day prior to the first day of the following month, the Customer shall be notified by the Company of the new monthly Citygate sales rate through the use of the Internet, by fax document, by telephone or other electronic medium. By 5:00 PM of the next business day, the Customer must elect sales service or transportation service for the entire following calendar month. The Company, at its discretion, may post subsequent prices that differ from the initial price, the last of which shall be posted no later than 4:00 PM of the third business day before the end of the month. Customers may lock into any price offered by the Company until 11:00 AM of the second business day as described in the Company's Sales and Transportation Operating Procedures. Once the Customer locks into a price, that price will be unaffected by any price posted thereafter.

The Company may reduce the rate at any time during the month upon notice to the Customer given in accordance with the Company's Sales and Transportation Operating Procedures. In such event, Customers that elected transportation service for that month shall have the option, subject to the availability of gas supply, to elect sales service for the balance of that month.

The commodity rate shall consist of components reflecting the commodity cost of gas (inclusive of volumetric pipeline charges and surcharges), and a contribution to the Company's pipeline fixed charges.
