GENERAL INFORMATION – Continued

64. Firm Gas Demand Response (“DR”) for Residential and Small//Medium Business Customers - Continued

2. Customers who enroll a Control Device in the Program through a Control Device manufacturer or directly through National Grid, or through a Service Provider, with their own Control Device or a Control Device provided by the Service Provider or manufacturer, will receive a one-time sign up payment after the Control Device is installed and after the Company and/or Service Provider has confirmed the Company’s ability to communicate with the Control Device. The one- time sign up payment will be made by a gift card. The incentive rate varies by device class and is published on the Company’s website. Within a given device class, the incentive is same across all manufacturers. Starting with the second Capability Period in which the customer participates, the customer will be eligible for an annual incentive payment, payable by gift card at the Company’s discretion, after each Capability Period in which the Company can verify that the customer allowed the Company to control the Control Device for no less than 70 percent of the aggregate number of event hours declared by the Company during the Capability Period. The Company reserve the right to cancel a customer’s participation in the program if they participate in fewer than 15% of event hours during a season. Customer will be deemed to not have participated in an event hour if they override the Control Device signal, disconnect their device or have the Control Device offline for that hour. Event hour performance will be calculated to a fractional value based on the number of minutes a customer was participating.

3. Incentive Payments - The Residential & Small/Medium Business Remote Load Control Program Incentive Payments shall be shown on the Demand Response Incentive Statement filed with the Public Service Commission not less than 60 days before their effective date.

4. Restrictions – This Program is not available to customers who reside in Staten Island.
