GENERAL INFORMATION

12. ADJUSTMENT OF RATES IN ACCORDANCE WITH CHANGES IN THE COST OF GAS (Cont'd.)

12.2 MONTHLY GAS ADJUSTMENT (Cont'd.)

(H) Temporary Credit (applicable to Service Classification Nos. 1, 2 and 6)

Customers shall be refunded via a Temporary Credit to refund a portion of the Company's Rate Year 3 delivery revenue requirement as adopted by the Commission in Case No. 18-G-0068. The Temporary Credit shall be designed to refund \$685,000 (\$672,458 net of revenue taxes) and shall be refunded for service rendered from January 1, 2021 through December 31, 2021.

(I) Balancing Charge (applicable to Service Classification Nos. 1, 2 and 6)

Customers shall be subject to a charge, stated on a cents per Ccf basis and shown separately on the Statement of Monthly Gas Adjustments, to recover balancing costs.

Gas is purchased under a common supply arrangement for both Consolidated Edison Company of New York and Orange and Rockland Utilities ("Companies") as described in General Information Section No. 12.1(C). Balancing ("load following") costs shall be equal to the sum of the Companies' annualized fixed storage charges, fixed pipeline transportation charges from storage to the pipeline delivery point(s) at the boundary of the Companies' service territories, fixed charges for trucked and stored CNG, fixed charges for trucked and stored LNG, suppliers' site development costs related to used and useful (i.e., not abandoned) CNG and LNG projects (including permitting costs; feasibility, engineering and/or operational studies costs; and property acquisition costs) utilized for balancing purposes.

The balancing cost shall be allocated to each company using fixed percentages. The fixed percentages are based on ratios of each Company's forecasted balancing requirement to the total forecasted balancing requirement of the Companies. The fixed percentages shall be revised at least annually to become effective each November 1. The Company shall be permitted to make interim revisions to the fixed percentages, if necessary, to reflect a significant shift in balancing requirements between the Companies. The Company shall advise Commission Staff on or before October 1 of each year of any changes to the fixed percentages to be implemented the following November 1.
