

PSC NO: 7 Electricity
City of Jamestown, New York
Effective Date: November 29, 2019

Leaf: 91
Revision: 4
Superseding Revision: 2

Filed pursuant to Commission Order issued November 18, 2019 in Case 16-M-0330

GENERAL INFORMATION

12. POLE ATTACHMENT RATES

For a cable system operator or telecommunications carrier that has executed a contract with the Jamestown BPU permitting attachments to Utility owned poles, the annual attachment rate is as follows:

	<u>Wireline Attachment</u>
Cable System Operator	\$13.62 per equivalent pole ¹
Telecommunications Carrier	\$13.62 per equivalent pole ¹
	<u>Wireless Attachment</u>
Wireless Communications Carrier	\$13.62 per-foot of occupied space ¹

¹The rate is calculated in accordance with the Order of the Public Service Commission issued November 18, 2019, in Case 16-M-0330, "Order Establishing Updated Pole Attachment Rates with Modifications."
