GENERAL RULES

20. Standby Service and Standby Service Rates - Continued

20.3 Customers Exempt from Standby Service Rates

20.3.1 The following types of Customers will be billed under Standard rates:

- (a) Customers who receive service under SC 1, SC 2, or the energy-only rate of SC 12, provided that they commence operation of their on-site generation facility on or before May 31, 2021; and
- (b) Customers with a Contract Demand of less than 50 kW with on-site generating equipment having a total nameplate rating greater than 15 percent of the maximum potential demand served from all sources, provided, however, that a Customer not described in subparagraph (a) may elect to be billed under Standby Service rates in its application for Standby Service.

A Customer with a Contract Demand of less than 50 kW who elects billing under Standby Service rates will be billed under such rates commencing with the first full billing period for which interval metering data is available subsequent to the Company's receipt of notice. A Customer with a Contract Demand of less than 50 kW who is billed under either Standby Service rates or Standard rates may elect to change its billing rate no more than once every 12 months. Such notice must be made in advance in writing.
