## GENERAL INFORMATION

### 4. LIMITATION OF SERVICE OFFER: (continued)

4.10.3.4.2.2 Ninety days after notice, in the event the owner has not contributed to the deficiencies. No surcharge shall be applied if the owner brings the building into compliance within ninety days.

4.10.3.4.3 In the event the owner is not billed for the Company's services, no surcharges will be applied to the bills of the non-owner occupants of the dwelling. After notification to the owner that the building is not in compliance, a surcharge will be billed to the owner. The surcharge will be 25 percent of the Company's total gas bills for the building that is not in compliance. In the event that circumstances prevent collecting the surcharge amount from the owner of the non-complying building, the Company may refuse future connections for service to new tenants in the dwelling until it is brought into compliance. If the owner is an occupant of the dwelling but is not billed for any services, the surcharge will be imposed on the bill for services to the unit occupied by the owner.
