

**PSC NO: 9 GAS**

LEAF: 332

**COMPANY: CONSOLIDATED EDISON COMPANY OF NEW YORK, INC.**

REVISION: 17

INITIAL EFFECTIVE DATE: 10/01/19

SUPERSEDING REVISION: 15

Issued in Compliance with Order in Case 18-G-0565 dated December 14, 2018

**SERVICE CLASSIFICATION NO. 12 - Continued****DUAL-FUEL SALES SERVICE (DFSS) - Continued****Rates - Continued****(A) Interruptible Base Rate (Rate 1) - Continued****(1) Posted Rates – Continued**

Separate rates shall be established for (1) Residential Service for Customers whose equivalent firm Service Classification ("SC") would be SC 1 or SC 3, (2) Non-Residential Service for Customers whose equivalent firm SC would be SC 2, and (3) Non-Residential PBT Exempt Service for Customers who are fully exempt from the Petroleum Business Tax on their oil purchases for a reason other than residential usage and whose equivalent firm SC could be either SC 1, 2, or 3. These rates shall be posted on a monthly basis, on the Statement of Rate for Service Classification No. 12. The rates shall include components reflecting the commodity cost of gas (inclusive of volumetric pipeline charges and surcharges), a contribution to the Company's pipeline fixed charges, and a local distribution (delivery) charge. The Company may increase or decrease the rate level(s), at its sole discretion, at any time during the month upon notice to the Customer given in accordance with the Company's Sales and Transportation Operating Procedures.

The minimum rate shall be set to recover at least the cost of gas plus one cent per therm for each rate block. If the Company has charged under this Service Classification, during the annual period defined below, an amount greater than the Company would have charged the Customer under Service Classification No. 2 or No. 3 (as would have been applicable to the customer's use of service, exclusive of the air-conditioning rate, Riders D, G and I rates and other Riders and reductions to the otherwise applicable rates), the Company will perform a reconciliation. The reconciliation shall be performed after May 31 of each year for those customers that have taken service under this Service Classification for all of the months during the twelve-month period ending May 31. The reconciliation shall exclude (i) all charges during a month that the Company sets the Interruptible Sales Rate at the minimum rate when the minimum rate exceeds the otherwise applicable Firm Sales Service Rate and (ii) any Charges for Unauthorized Use, Charges for Non-Compliance, Daily Penalty Charges including other charges and surcharges to the base rates set forth in this Service Classification related to a Customer's failure to comply with any of the provisions of this Service Classification, the Company's Sales and Transportation Operating Procedures, or this Rate Schedule. Any overcharged amount shall be reconciled by means of a credit applied to the Customer's August monthly bill. Under no circumstances shall this relieve Customers of their reserve requirement obligations as explained under Miscellaneous Provision, Section (D) of this Service Classification.

The first reconciliation performed after February 1, 2017 will be performed for the thirteen-month period ending May 31, 2017 except that customers that have taken service under this Service Classification for all of the months during the twelve-month period ending April 30, 2017 but did not take service under this Service Classification for the month of May 2017 will have their reconciliation performed for the twelve-month period ending April 30, 2017.
